Your organization could be recognized at the 10th Annual Ontario Tourism Summit
Nov 12-13!

Do you know an individual or organization within the industry that has successfully provided the highest quality tourism experience for consumers and employees?

Is there an event or festival you attended that exhibited impeccable standards in terms of operations and service excellence?

Has your own organization – or an individual within it – made an outstanding contribution to the tourism industry?

Help recognize Ontario's top industry performers by submitting nominations for the 2014 Tourism Industry Awards of Excellence today!

The Tourism Industry Awards of Excellence are the ultimate recognition of achievement the industry has to offer. Celebrating spectacular customer service, innovation, sustainability, employee recruitment, and more – the awards foster and uphold TIAO's vision of driving economic prosperity through tourism.

New this year is Ontario's Accessible Tourism Award, which will be given to the nominated organization that best demonstrates exceptional consideration for accommodating the needs of customers and employees, with adherence to Ontario Accessibility standards.

There are seven awards up for grabs in total!
